INTERNATIONAL HARVESTER COMPANY OF AMERICA

## COMMISSION AGENCY CONTRACT.

INTERNATIONAL HARVESTER COMPANY OF AMERICA, a corporation having offices in Chicago, Illinois, hereinafter designated "COMPANY," and

of Berwick in the County of York and State of ME

hereinafter designated "AGENT," agree and contract this 3d day of Feb A. D. 1905, as follows:

Said COMPANY hereby appoints said L. A. Emery its SALES

under the limitations and restrictions herein specified for the sale of its Oshorn line of grain, corn, and grass harvesting machines more particularly enumerated in schedule referred to in Article 10th of this contract, together with repairs for same, in the following described territory, to-wit:

Berwick & vicinity

and no other, during the season ending December 31st, 1905.

Said AGENT accepts such agency and in consideration thereof and for the commission herein agreed to be paid, expressly agrees as follows:

1st. To receive all goods shipped under this agreement, to pay freight on the same from Chicago; keep the same well housed and in good condition, and to make any damage resulting from the improper handling or storage of same until sold or reshipped; to keep the same free from all charge and expense to said COMPANY, including all taxes which may be assessed on such goods carried over in said AGENT'S possession from the preceding year. To collect from the purchaser the freight on all goods or assume the loss of same, and in no case to charge said COMPANY with any sum or sums for freight, handling, storage or other expenses, except provided that in case said COMPANY shall remove or transfer any goods received under this contract, said AGENT shall be entitled to the actual freight paid when the goods were received.

AGENT shall send promptly at the time of shipment to INTERNATIONAL HARVESTER COMPANY OF AMERICA, at Boston, a duplicate shipping receipt for each shipment made.

2d. To diligently and thoroughly canvass said territory, and in all reasonable and proper ways promote the trade and interests of said COMPANY, and do all things pertaining to the sale of said machines, attachments and repairs; and to be governed by the printed instructions on the back of this contract which are hereby made a part of the conditions hereof.

3d. To deliver, set up and fairly start every machine sold, and to instruct the purchaser how to adjust it to work in different kinds and conditions of crops. To pay all delivery expenses that may be incurred by experts or canvassers furnished by said COMPANY while assisting said AGENT.

4th. To sell to good and responsible parties only, and to draw all notes taken on sales, payable to the order of INTERNATIONAL HARVESTER COMPANY OF AMERICA, upon blanks furnished by said COMPANY for that purpose; said notes to bear interest at the rate prescribed in said schedule of prices and terms. Notes taken by said AGENT on any other terms than those prescribed by said COMPANY shall, at the COMPANY'S option, be applied in payment of said AGENT'S commission.

5th. To sell all machines or property received under this contract at such prices and on such terms as may be fixed in writing by said COMPANY or its General Agent, in the territory herein mentioned.

6th. To settle with the purchaser for each machine or other article sold hereunder, either by cash or note, AT THE TIME OF DELIVERY, and in case said AGENT shall deliver any machine or other property mentioned herein for use in the field, or permit the use of any thereof before it is fully settled for by cash or good and collectible note, said AGENT shall account for and pay to said COMPANY on demand the full price of the same, together with interest thereon from October 1st, 1905, and also all expenses incurred on account of same, and without any claim for commissions from, or under any warranty by said COMPANY.

7th. To take a signed order from each purchaser on blanks furnished by said COMPANY, and to use or give no warranty on any such machines other than the warranty which is incorporated in machine order blanks for goods furnished by said COMPANY.

8th. To order all attachments and repairs for these machines from said COMPANY, or its said General Agent, and provide suitable storage therefor; and to sell them for cash only, and to remit the proceeds to said COMPANY or its said General Agent. Inasmuch as the reputation of the COMPANY'S machines is injured by the use of ill-fitting parts made of poor material, by persons not interested in the manufacture of machines, said AGENT agrees to handle none of such repair parts, but agrees to order all repair parts for use on the COMPANY'S machines from said COMPANY.

9th. To furnish said COMPANY, or its said General Agent, whenever called upon, a full and detailed account of all sales made under this contract, on such blanks as shall be furnished by said COMPANY, or its said General Agent for that purpose, and to make a full and complete settlement whenever called upon by said COMPANY or its said General Agent.

10th. Said COMPANY agrees to pay said AGENT as commission on machines and attachments sold, an amount equal to the excess in the total proceeds received from sales of said machines and attachments (as shall be shown by account sales), over and above what said machines and attachments amount to at the net prices shown to AGENT in separate schedule of net prices and terms, issued or to be issued by said COMPANY for the season of 1905 under this contract.

11th. All sales of machines on which said COMPANY receives all cash on or before the dates mentioned in said schedule of prices and terms will be accepted as final sales, and all machines that are not settled for in full with cash on or before said dates will be settled for at time prices.

12th. No commissions will be paid on attachments sold or furnished gratis with machines.

13th. Commissions shall only be paid on machines sold and settled for, and none shall be paid on machines returned, condemned, or on orders not filled; and no commissions shall be paid on sales made to parties who are discovered or adjudged by said COMPANY, or its said General Agent, to have been doubtful or worthless at the time of sale, the notes received for such sales shall be received by said AGENT to apply on payment of commissions due upon sales recognized and approved by said COMPANY; and if the machine is returned at time of settlement is overpaid by notes, such surplus notes shall be received by said AGENT as payment in full or in part of commissions due.

14th. Notes given in accordance with the terms of this contract by purchasers of machines, which are found to be good and collectible, shall be accepted at the time of settlement. Notes not in accordance with the terms of this contract shall be replaced by said AGENT, upon demand, with cash or other notes acceptable to said COMPANY.

15th. Said COMPANY reserves the right to hold as collateral security for the payment of said AGENT'S indebtedness to said COMPANY any purchasers' notes received by said AGENT on account of sales of said COMPANY'S property, offered by said AGENT in settlement but not finally accepted by said COMPANY.

16th. Said AGENT shall receive as commission on sales of repairs twenty-five per cent. of the list price thereof, as fixed by said COMPANY'S price list of repairs for machines for the current year, and said AGENT agrees to pay freight or express on same from General Agency or transfer point.

17th. IT IS FURTHER EXPRESSLY AGREED, that said AGENT is to receive in the capacity of AGENT of said COMPANY and not otherwise, all goods sold under this contract, and all moneys, property or other securities taken in payment for machines, attachments and repairs, or other property sold by said AGENT for said COMPANY.

18th. Said AGENT further agrees under this contract not to retain, on account of commission or any other claim against said COMPANY, any moneys, notes, or other property received from the sales of any articles hereunder or from collections on notes or accounts, but to promptly remit all moneys, notes or other property to said COMPANY, or its said General Agent, leaving commissions and all other claims to be adjusted at settlement.

19th. Said AGENT is strictly forbidden to take any part from any machine for the purpose of supplying customers with repairs.

20th. IT IS MUTUALLY AGREED, that said COMPANY shall at all times have exclusive and entire control over all machines and attachments and all orders, contracts, accounts, notes, moneys or other property accruing and growing out of the sale of said machines, attachments, stackers, sweep rakes, hay rakes, hay tedders, twine, repairs or other property, whether for this or previous years, and may at any time, when it considers its interests are neglected or jeopardized, without notice, annul and terminate all prior contracts, and take possession of all orders, notes, accounts, moneys, machines, attachments, stackers, sweep rakes, hay rakes, hay tedders, twine, and any other property in the possession or under the control of said AGENT by virtue thereof; and said AGENT hereby waives all right of action for damages because of such cancellation of contract and termination of agency.

21st. Said COMPANY agrees to use its best effort to complete and ship all machines ordered, and to supply all attachments and repairs ordered under this contract as long as its stock shall last, but shall not be held responsible to said AGENT for any damage in case the demand for either of said machines, attachments or repairs exceeds the supply, whether growing out of interruptions by fire or other elements, riot, labor disturbances, delay in transportation or any other cause whatsoever.

9th. To furnish said COMPANY or its said General Agent, whenever called upon, a full and detailed account of all sales made under this contract, on such blank forms as shall be furnished by said COMPANY, or its said General Agent for that purpose, and to make a full and complete settlement whenever called upon by said COMPANY, or its said General Agent.

10th. Said COMPANY agrees to pay said AGENT as commission on machines and attachments sold, an amount equal to the excess in the total proceeds received from sales of said machines and attachments (as shall be shown by account sales), over and above what said machines and attachments amount to at the net prices named to AGENT in separate schedule of net prices and terms, issued or to be issued by said COMPANY for the season of 1905 under this contract.

11th. All sales of machines on which said COMPANY receives all cash on or before the dates mentioned in said schedule of prices and terms will be accepted as cash sales, and all machines that are not settled for in full with cash on or before said dates will be settled for at time prices.

12th. No commissions will be paid on attachments sold or furnished gratis with machines.

13th. Commissions shall only be paid on machines sold and settled for, and none shall be paid on machines returned, condemned, or on orders not filled; and in case sales are made to parties who are discovered or adjudged by said COMPANY, or its said General Agent, to have been doubtful or worthless at the time of sale, the notes taken for such sales shall be received by said AGENT to apply on payment of commissions due upon sales recognized and approved by said COMPANY; and if the machine account at time of settlement is overpaid by notes, such surplus notes shall be received by said AGENT as payment in full or in part of commissions due.

14th. Notes given in accordance with the terms of this contract by purchasers of machines, which are found to be good and collectible, shall be accepted at the time of settlement. Notes not in accordance with the terms of this contract shall be replaced by said AGENT, upon demand, with cash or other notes acceptable to said COMPANY.

15th. Said COMPANY reserves the right to hold as collateral security for the payment of said AGENT'S indebtedness to said COMPANY any purchasers' notes received by said AGENT on account of sales of said COMPANY'S property, offered by said AGENT in settlement but not finally accepted by said COMPANY.

16th. Said AGENT shall receive as commission on sales of repairs twenty-five per cent. of the list price thereof, as fixed by said COMPANY'S price list of repairs for these machines for the current year, and said AGENT agrees to pay freight or express on same from General Agency or transfer point.

17th. IT IS FURTHER EXPRESSLY AGREED, that said AGENT is to receive in the capacity of AGENT of said COMPANY and not otherwise, all goods shipped under this contract, and all moneys, property or other securities taken in payment for machines, attachments and repairs, or other property sold by said AGENT for said COMPANY.

18th. Said AGENT further agrees under this contract not to retain, on account of commission or any other claim against said COMPANY, any moneys, notes, or other property received from the sales of any articles hereunder or from collections on notes or accounts, but to promptly remit all moneys, notes or other property to said COMPANY, or its said General Agent, leaving commissions and all other claims to be adjusted at settlement.

19th. Said AGENT is strictly forbidden to take any part from any machine for the purpose of supplying customers with repairs.

20th. IT IS MUTUALLY AGREED, that said COMPANY shall at all times have exclusive and entire control over all machines and attachments and all orders, contracts, accounts, notes, moneys or other property accruing and growing out of the sale of said machines, attachments, stackers, sweep rakes, hay rakes, hay tedders, twine, repairs or other property, whether for this or previous years, and may at any time, when it considers its interests are neglected or jeopardized, without notice, annul and terminate this and all prior contracts, and take possession of all orders, notes, accounts, moneys, machines, attachments, stackers, sweep rakes, hay rakes, hay tedders, twine, and any other property in the possession or under the control of said AGENT by virtue thereof; and said AGENT hereby waives all right of action for damages because of such cancellation of contract and termination of agency.

21st. Said COMPANY agrees to use its best effort to complete and ship all machines ordered, and to supply all attachments and repairs ordered under this contract so long as its stock shall last, but shall not be held responsible to said AGENT for any damage in case the demand for either of said machines, attachments or repairs shall exceed the supply, whether growing out of interruptions by fire or other elements, riot, labor disturbances, delay in transportation or any other cause whatsoever.

22d. Said AGENT especially agrees not to accept the agency for or to be interested in the sale of any grain binder, header, corn binder, husker and shredder, reaper, mower, stacker, sweep rake, hay rake, or hay tedder, other than those manufactured by the INTERNATIONAL HARVESTER COMPANY, either directly or indirectly, nor to permit any one acting for him as employe, agent or partner, so to do while acting as AGENT for the said COMPANY under this contract, and said AGENT agrees to pay said COMPANY, on demand as liquidated damages, twenty-five dollars for each grain binder, header or corn binder; fifty dollars for each husker and shredder; ten dollars for each mower, reaper or stacker; five dollars for each sweep rake, hay rake or hay tedder sold in violation of this paragraph of this contract.

23d. Said AGENT hereby represents that he is solvent and responsible, and this contract is entered into by said COMPANY upon the faith of such representation.

24th. IT IS FURTHER AGREED, that this contract shall, in no case, be valid and binding upon said COMPANY, of the first part, until the same shall have been approved by the General Agent, and also that it cannot be subsequently changed, in any of its provisions, in any manner, either verbally or otherwise, by any person, without the written approval of the said General Agent.
